

**2016**

## **Innovation Award in Teaching and Learning**

The **Society for Teaching and Learning in Higher Education (STLHE)** and **D2L** (formerly known as Desire2Learn) are pleased to invite submissions for the 2016 Brightspace Innovation Award in Teaching and Learning.

This award celebrates and recognizes innovative approaches that promote learning in new ways at post-secondary institutions.

Awards are open to all instructors currently teaching at a post-secondary institution, regardless of discipline, level, or term of appointment. Applications in French or English are welcomed. Candidates do not need to be members of STLHE to apply.

**Award winners (up to five per year) receive the following:**

- 1) \$1200 for registration, travel to attend the Brightspace FUSION Annual User's Conference
- 2) \$1000 for registration, travel to attend the Annual STLHE Conference
- 3) Two year membership in STLHE
- 4) Framed Certificate Submission

**Deadline:**

The deadline for applications is Wednesday, March 2<sup>nd</sup>, 2016.
