Time: 30 minutes
Purpose: make a decision

Preparation: Review: 1) draft audited financial statements 2) management letter and 3) representation letter

- R. Lapp thanks R. Sproule for his work pulling this material together; the board has come a long way in terms of being prepared with this information in a timely manner.
- R. Sproule first speaks to management letter; is a letter that lists to specific changes that STLHE should consider regarding fiscal affairs provided by auditor.
  - This year’s management letter identifies no changes going forward to 2017
- Representation letter notes that STLHE has provided all information to auditors so that they can complete financial audit; submitting this representation is a formal step that R. Sproule undertook on the board’s behalf.

MOTION (Robert Sproule, seconded by Robert Lapp): I move that the STLHE board of directors recommends the approval, at the 2017 AGM, of the audited financial statement for the year ending December 2016. Motion passes unanimously.
Yes: 12, No: 0, Abstentions: 0
• R. Sproule makes reference to the auditor’s draft statement included as link to the agenda.
• Cash flow statement shows the change in the Society’s investment strategy, where 250K is now invested in a non-cash account.
• R. Sproule notes that the included notes are typical and nothing unusual is noted.
• R. Sproule proud that financial statements have only 2 adjustments noted from auditors; a significant improvement in number of notes from 2015.
• R. Sproule is comfortable going forward membership with these numbers.

Floor opened to questions
• R. Sproule notes board members have an obligation to organization that these financial statements are an accurate reflection on the affairs of the organization.
• D. Stockley concerned about money spent on travel, would like to come up with a way to allocate a limit of funds to board members.
  o R. Sproule notes that the number in the statement includes travel for award programs in addition to board member travel; 15K of 29K is spent on board member travel; this item includes travel costs for board members exercising their duty to the Society.
• D. Stockley notes her discomfort and would rather have an explicit policy for travel expenses
• V. Lopes suggests that once she understood that this line item includes travel for awards, travel for conference site visits she is more comfortable with the number; knows from award portfolio that there is significant cost with travel for award winners.
• R. Sproule notes that he can prepare some commentary and break-down of travel expenses in preparation for AGM.
• D. Bateman suggests that we ask that all STLHE board members use home-institution professional development funds to travel for board business, with the Society filling the gap of funding.
  o A discussion about a travel expense policy has been added to list of potential agenda items for the upcoming June F2F
• R. Lapp notes that the continuing surplus could be a larger concern to the general membership.

MOTION (Robert Sproule, seconded by Robert Lapp): I move that the STLHE board of directors recommends the approval, at the 2017 AGM, of the firm McCay Duff LLP as auditors for the 2017 financial year. Motion passes unanimously by consensus.
