

The scope of EDI in Canadian postsecondary institutions

Results derived from the 2022 Canadian EDI Survey and Summit. For access to national collaboration resources, please scan the QR code.

ISSUE

How can Canadian EDI student advocacy groups incorporate their work ethic and goals into the national higher education system?

Main *types* of EDI

Meaningful conversations

Mobilization

Measuring impact

Common *areas* of disconnect

Lack of central accountability

Lack of awareness

Student union and student group disconnect

Discrimination

Themes of action

Opening up

Connecting

Collaborating

Disrupting

Dismantling

Rebuilding

Tools for action

Critically analyze your institution's EDI procedures

Remember that action must follow research

Learn to negotiate and self-advocate with the institutions

Determine if your goal is incremental or systemic

Cultivate your lasting legacy at your school
