THE SOCIETY FOR TEACHING AND LEARNING IN HIGHER EDUCATION, IN PARTNERSHIP WITH 3M CANADA ANNOUNCE 2023 3M NATIONAL STUDENT FELLOWSHIP AWARD RECIPIENTS

Recognizing outstanding young leaders across Canada

3M Canada and the Society for Teaching and Learning in Higher Education are delighted to introduce the recipients of the 2023 3M National Student Fellowship Award:

- Landon Foley, Bachelor of Science (Kinesiology), University of Calgary
- Aaron Judah, Bachelor of Science, (Marine Biology), Dalhousie University
- Shanleigh McKeown, Environmental Engineering, University of Saskatchewan
- Anna Mercer, Bachelor of Music, Memorial University of Newfoundland
- Liam O'Toole, International Political Economy, Bishops University
- SunMin Park, Bachelor of Science (Biology), Mount Allison University
- Sarah Pecoskie-Schweir, History and Concurrent Education, Nipissing University
- Naomie Cecyl Seh Abomo, Civil Engineering, University of Waterloo
- Oliver Storseth, Saint Francis Xavier University
- Reilly Sullivan, Bachelor of Science (Biology), University of Prince Edward Island

The 3M National Student Fellowship is sponsored by both 3M Canada and the Society for Teaching and Learning in Higher Education (STLHE). Founded in 2012, the Student Fellowship honours diploma and undergraduate students in Canada who have demonstrated qualities of outstanding leadership and who embrace a vision of education that enhances their academic experience and beyond.

“These students demonstrate the commitment, drive and enthusiasm to shape the future of the Canadian post-secondary sector,” said Elana Cooperberg, Chair of the STLHE Board of Directors. “They will continue to be an inspiration to their fellow students and future colleagues.”

“The 3M National Student Fellowship recognizes exceptional student leaders across Canada who embody the highest ideals of excellence with a commitment to shaping tomorrow’s future in postsecondary education,” said Penny Wise, President of 3M Canada.

“Each of the 2023 National Student Fellow demonstrate an unwavering dedication and passion towards their respective academic fields and in contributing to society. Congratulations to this year’s Student Fellows on your outstanding achievement.”

The 3M National Student Fellowship is an exciting opportunity for students across Canada to distinguish themselves as part of a unique learning community.

Each recipient receives a two-year membership for STLHE and the opportunity to develop a funded project on teaching and learning with their cohort.

This year’s cohort of 3M National Student Fellows continues the legacy that began in 2012—a legacy that we know will assist many future years of undergraduate students across Canada.

STLHE and 3M Canada will officially welcome these incredible leaders into the Fellowship at the STLHE Annual Conference which will be held from June 13-16th in Charlottetown, Prince Edward Island.
